Warsaw, 12th of December 2007

120/2007

Pursuant to § 5 (1) (25) of the Ordinance of the Minister of Finance of 19th of October 2005 (Journal of Laws from 2005 No. 209, item 1744) on current and periodical information communicated by the issuers of securities, the Management Board of Sygnity S.A. (a Joint Stock Company) with its corporate seat in Warsaw hereby makes public the forecast of accounting profits of the Capital Group.

The Management Board of Sygnity S.A. hereby informs that a predicted operating profit of the Group for the fourth quarter of 2007 will account to PLN 56 million.

On the 14th of November 2007, the Company made public the forecast that assumed the attainment in the fourth quarter of 2007 the revenues at the level of PLN 428 million and the operating profit at the level of PLN 33 million (the result was charged with amortization of the nonmaterial value in the amount of PLN 4,6 million resulting from the transaction of joining Sygnity S.A. and Emax joint stock companies).

In the present day, the Management Board of the Company decided to change the forecast of the operating profit by PLN 23 million that is the result of selling by the Company a part of an enterprise related to IT solutions for hospitals and healthcare providers. On the 5th of December 2007, Sygnity S.A. informed about signing with ABG SPIN company a contract of sale of the organized part of the enterprise connected with the products of Infomedica and Mmedica. The take over covered, among others, the employees and copyrights to the implemented and operated systems in more than 300 hospitals and other health care centres.

In the contract, there was also a recording about the cooperation and the exchange of information with ABG SPIN in the field of settlements of the health care services from Narodowy Fundusz Zdrowia (National Health Fund). The transaction does not concern in any way the activity of Sygnity related to the service of Narodowy Fundusz Zdrowia (National Health Fund). The Company still possesses certain copyrights to the systems servicing NFZ (NHF), maintains the staff supporting the activity of the Fund and intensively develops IT systems for this Client.

The selling price was settled in the amount of PLN 28 million net. Pursuant to the provisions of the contract concluded with ABG SPIN, the transfer of the rights to the aforementioned products to the buyer took place on the 11th of December, which has a direct impact on the planned operating profit.

The remaining part of the profit from the transaction concluded with ABG SPIN will influence the results of the Company in the first quarter of 2008.
